Consequences of Revocation

If You revoke this agreement, we will reimburse all payments received from You, including delivery costs (excluding additional costs of delivery by means other than the least-expensive standard delivery offered by us), without delay and no later than within fourteen days from the date on which revoke is received. Unless expressly agreed otherwise, reimbursements will be made using the same method of payment as the original transaction; You will not, under any circumstances, be charged for such reimbursement. We are entitled to refuse to reimburse payments until the goods have been returned to us, or until You supply evidence that the goods have been dispatched for return, depending on which is earlier.

You must return the goods to Tegeler Audio Manufaktur GmbH, Weststr. 1, 13405 Berlin, Germany, by post or in person, without delay and no later than within fourteen days from the date on which You notify us of Your revoke. The goods shall be deemed to have been returned within the deadline provided they are dispatched before the end of the fourteen-day cooling-off period. You must pay the direct costs of returning the goods. You are responsible for any reduction in value only if this is attributable to unnecessary handling of the goods during Your inspection of their condition, characteristics and function.
